PRODUCT OVERVIEW

CERTIFICATION MARK
1903110

Flowstore Two Piece Cold Water storage Tanks

Flowstore WRAS Approved two piece cold water storage tanks manufactured from GRP materials. Suited for sites with access restrictions allowing large tanks to be carried through a doorway and providing a cost saving to a sectional tank.

Comprising an upper and lower section of equal height incorporating an external horizontal joint flange allowing the sections to be bolted together on site. All sealant and fixings for the joints and an assembly instruction sheet is supplied with the tank.

- Sizes available from 90 - 12000 litres nominal
- Fully WRAS approved
- Manufactured from highest quality GRP materials
- CFC free PU foam insulation completely encapsulated within the GRP laminate.
- Structural support provided by rolled hollow section steel with welded corner jointing
- 1000 litre nominal and over c/w access manway, removable lid 520x520mm opening
- 25mm Insulation
- 50mm Insulation upgrade option

PRODUCT DETAILED OVERVIEW

Flowstore Two Piece
Cold Water Storage Tanks

Equilibrium Float Valve

A wide selection of high flow equilibrium float valves in 1/2" to 4" WRAS approved

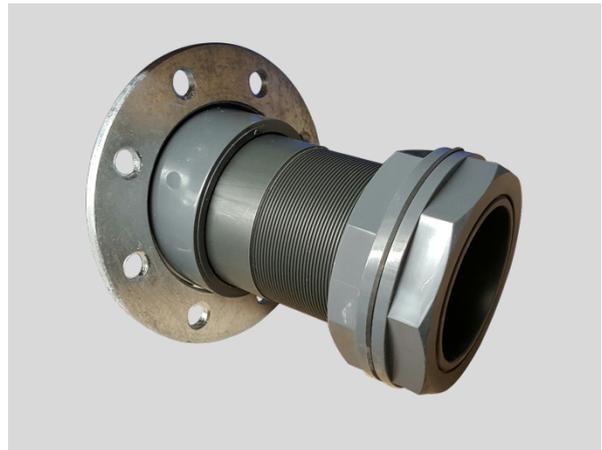

Screened Overflow

Correctly sized screened overflows ensures new tanks comply with current water regulations

Float Switch with Anchor Weight

The most universally used float switch in the world for the automation of pumps and storage tanks.

Tank Connector

Flanged tank connectors provide a way of connecting to pipework and allow a secure seal to the wall of the tank.

AFTER SALES SERVICE

At **flowtech**[®] we operate a network of Service Engineers located throughout the UK who are supported by our offices located in Greater Manchester. The distribution of engineers means that in the majority of cases we are less than 4 hours away from attending a customer call out.

We place great emphasis on providing technical back up to support our Service Engineers in resolving some difficult operational and technical issues. We pride ourselves on completing a project on time, within budget and never leaving a problem unresolved, or a customer waiting. This quality of service has made us the first choice for our customers.
